## Message from the Principal -

As we move forward following our recent midterm elections, we recognize that some people are celebrating the results while others may be disappointed, frustrated, or concerned. Elections often bring out strong emotions because we care deeply about our beliefs, our families, and the future of our communities and country. As Christians, we are certainly called to stand firm in our convictions and advocate for what we believe is right. However, our convictions should never become an excuse to compromise our Christian character. James 1:19 reminds us to be "quick to listen, slow to speak and slow to become angry." We can disagree without being disrespectful, stand firm without being unkind, and advocate for our beliefs without diminishing the dignity of others. Our identity is not rooted in a political party, candidate, or election result, but in Jesus Christ, whose love and grace remain constant regardless of who holds public office.

As Christians, we are called to something greater than simply winning an argument or proving a point. We are called to reflect Christ in how we speak, act, and treat one another. Romans 12:18 encourages us, “If it is possible, as far as it depends on you, live at peace with everyone.” This does not mean abandoning our beliefs or remaining silent when something contradicts God's Word. Rather, it means approaching difficult conversations with humility, patience, and love. We can speak the truth while remembering that every person is created in God's image and is someone for whom Christ died. The Gospel reminds us that we are all sinners in need of the same forgiveness, mercy, and grace found in Jesus. Whether we agree or disagree, we should never allow political differences to overshadow our calling to love our neighbors. Our ultimate hope does not rest in elected leaders or government policies, but in our Savior, who reigns over all things.

For us at St. John's Lutheran School, this is especially important because our students are watching and learning from our example. As educators in a Christ-centered school, we have a responsibility to model respectful disagreement, kindness, forgiveness, and compassion. We want our students to develop strong Christian convictions, think critically, stand up for what is right, and confidently share their faith. But we also want them to understand that standing firm in the truth does not require tearing someone else down. Our school theme, Rooted in Christ (Colossians 2:6–7), reminds us that everything we do should grow from our relationship with Him. As we continue our mission of Reaching, Teaching, and Sharing the Gospel, may our words and actions demonstrate that our greatest allegiance is to Christ. Let us be a school community where differences are handled with grace, where every child and family is treated with dignity and love, and where the light of Christ shines brighter than any political division.

In Jesus,

**Mr. Mageski**

## Parentpulse-

Our next round of Parentpulse surveys are going out.  Please keep an eye out for them and feel free to share your feedback.  We appreciate you taking the time to complete them.

## Volunteer Skill & Interest Sign-Up Form-

We’re excited to introduce a new way for families to get involved at St. John’s! The School Board is creating a “task force” volunteer system for the 2026–2027 school year, allowing families to contribute their unique skills, interests, and expertise on specific projects - without the commitment of full-time board service. Whether you can lend a hand occasionally or more regularly, all time served on these task forces will count toward volunteer hours (if applicable). Your support plays a vital role in strengthening our school, church, and childcare ministry, and we truly value any time you are able to give.

## “From the Eagle’s Nest”- (Updates from the Principal/School Board)

As part of our commitment to transparency and collaboration, the principal and school board will be sharing weekly/monthly updates with families. These updates will highlight new and upcoming changes, dialogues currently taking place, considerations under review, and any concerns being addressed. Our goal is to bridge communication between school leadership and our families so that we can work together with unity and understanding. By keeping you informed, we hope to build trust, invite healthy dialogue, and ensure that every step forward is guided by our shared mission to nurture students in Christ-centered excellence.

1. We are currently creating a new “pop-up” merchandise shop that we will roll out occasionally and at different events. Keep an eye out for some fun new items. There will be limited stock with these items, but we can always order more!
2. We are actively taking steps to quote new bleachers in our gym. Our goal is to purchase new bleachers by the end of the 2026-2027 school year and install them over the summer of 2027.
3. Right now our school board is going to be discussing possible services we can explore to collaborate with homeschool families and students. More information to come.
4. We will be providing a weekly/monthly Youtube channel that Mr. Mageski will provide updates and shout outs for things going on at SJLS and in our ministry.
    a. Channel: https://www.youtube.com/@PrincipalSJLS
    b. If you would like to join me for an interview, I would love to have you on our weekly video.
5. We would like to share that Mrs. Travis will not be returning to SJLS for the 2027–2028 school year, as a change in her husband's employment will require their family to relocate to Iowa. For over 10 years, Mrs. Travis has been a cornerstone of our middle school, and words cannot begin to express how deeply she will be missed by our students, staff, and families. In true Mrs. Travis fashion, her love and dedication to SJLS remain evident as she has graciously provided us with ample time to prepare for this transition and find the right individual to continue serving our students. As we look ahead, we will be forming a Call Committee to prayerfully begin the search for a new teacher for the 2027–2028 school year. If you are interested in serving on this committee and helping guide this important process, please reach out to Mr. Mageski. We ask that you keep Mrs. Travis and her family, our school, and this upcoming call process in your prayers as we trust in God's guidance and plans for the future of SJLS.

While we could go on about all the amazing things taking place, we pray these glimpses give an insight into the many major items under consideration or current projects. We are excited to continually make improvements to glorify God and provide the very best for our students, families, and staff.

Mr. Mageski & the SJLS School Board

**🚨 Friendly Reminders for SJLS Families!**

To help keep our students safe and ensure we know who is entering and leaving our building, we would like to remind families of a few important school procedures.

**📌 Dropping Off Items During the School Day**

- If you are dropping off items for your child during the school day, please stop in the school office first.

- Parents and guardians should not go directly to their child's classroom. Our office staff will make sure the items get to your child.

📌 **Student Early Dismissal & Sign-Out Procedures**
- 4K–4th Grade: Students must be signed out by a parent or guardian in the school office before being dismissed.
- 5th–8th Grade: Students may sign themselves out in the school office as long as we have received parent/guardian consent by phone or email.

📌 **Early Dismissal for School Events & Athletics**
- When students need to leave school early for a school-related event, such as athletics, Mrs. Krueger or Mrs. Marquardt will sign them out as long as parent/guardian consent has been received by phone or email.

❤️ Thank you for your cooperation and understanding! These procedures are in place to help ensure the safety of our students, maintain accurate attendance records, and keep our school day running smoothly.
We appreciate your continued support in keeping SJLS a safe and welcoming place for everyone!

**Missed Work due to Illness-**
We are trying something new to make picking up missed schoolwork **more efficient and organized** for our families and teachers!
We now have a designated **Missed Work Cubby located in front of the school office**. This cubby will be used for **students who are absent due to illness** and whose parents have requested to pick up their missed assignments, books, and other resources.
If your child is home sick and you would like to pick up their missed work, please **contact the school office by 10:30 AM** to make your request. The office will notify your child's teacher(s), and their materials will be gathered and placed in the cubby for pickup **after 2:00 PM**.
If your child has a sibling who is in attendance, we can also send the missed work home with their sibling. **This must also be requested through the school office by 10:30 AM.**
Please keep in mind:
- You **must contact the school office by 10:30 AM** to request missed work. Materials will not automatically be gathered for every absence.

- Missed work will be available for pickup **after 2:00 PM**. This allows teachers adequate time during the school day to gather the assignments, books, and resources your child needs.
- This procedure is specifically for **illness-related absences** and does **not** apply to students missing school due to vacations or other planned absences.
- As a reminder, students are given **the same number of school days they were absent to complete their missed work**. For example, if a student is absent for two school days, they will have two school days to complete their missed assignments upon returning.

We hope this new system makes it easier for families to receive everything their child needs while also helping our teachers and office staff keep missed work organized.
Thank you for your cooperation and for helping us make this new process successful!

## The Eagle Exchange-

We're excited to introduce a new way to share, reuse, and show our SJLS pride! The Eagle Exchange will be a mobile merchandise cart that will pop up throughout the year in our upper and lower lobbies, at sporting events, school activities, and other special events.
To help us get started, we need your gently used SJLS gear! If your family has St. John's shirts, sweatshirts, hats, or other SJLS apparel that has been outgrown or is simply no longer being used, we would love to give it a new home. We are looking for items that are clean and lightly used to like-new condition.
Donated items will be available through the Eagle Exchange at a discounted price, giving other Eagles a chance to show their school spirit while giving great SJLS gear a second life! All proceeds will go directly back into sustaining the Eagle Exchange and purchasing new merchandise to continue promoting SJLS pride.

📦 Donations can be dropped off at the school office.
Start checking those closets and drawers—we'd love your help stocking the shelves before the Eagle Exchange makes its debut!
Wear it. Share it. Support SJLS.

## Student Council-

**O.C.C. Packing Party: November 17th**

## Friendzy Corner (SEL Social Emotional Learning)-

This week we wrapped up "Listen Up!" - all about helping others feel seen and heard by listening well! In the middle school, we finished up this month with a fun lego activity. Students had to use the listening skills we learned this week in order to complete the challenge and they did so well!

PARENT ACTION: Try this at home!

-At a table, place something between you and your child as a dividing screen. Give your child a set of 8-10 lego blocks. Give yourself the exact same set of legos.

-Your child gets to be the "builder" and should build whatever they want with the legos provided. All legos must be used and build one structure.

-You will be the "replicator". The "builder" must now tell you how to build the same model-using just their words. At first, only the "builder" can speak. Try to replicate the structure for 2 minutes.

-After 2 minutes, you may now ask questions and have back and forth dialogue with the "builder".

-Once you are done, ask questions and discuss: Why was it important for the “replicator” to listen carefully? Was it helpful once the “replicator” could ask questions? It is interesting that we can think we underwood correctly but in fact be incorrect!

## Chapel-

**Chapels are typically every Wednesday morning at 8:10am.**
**You are more than welcome to join us! The first chapel of the month our Chapel Families sit together with their partners & we do a Noisy Can for our offering collection. Everyone brings change to put in the can, as it is passed, and then they give it a noisy shake.**

❤️ **Our Chapel Offerings Are Making a Difference!**
This year, our **Chapel Offerings** will support two wonderful organizations:

🌍 **Christ's Care for Children: Kenya**
Supporting children and families in Kenya while sharing the love of Christ.
Children in the **Christ’s Care for Children: Kenya** program live at Project 24 facilities while attending school and church throughout the year. For $1,080 per year, sponsors help provide food, shelter, education, and opportunities for a child to learn important life skills such as farming, cooking, caring for animals, and maintaining their homes. The children also grow in their faith through daily devotions, Bible study, choir, and catechesis, becoming active and contributing members of their church and community.

⭐ **Gold Star Trail**
Supporting a meaningful local effort that honors and remembers our fallen heroes while bringing our community together. The **Gold Star Memorial Trail** is a hiking and biking trail connecting Mayville, Horicon, Beaver Dam, and the Wild Goose State Trail. It honors local service members who made the ultimate sacrifice, as well as all military service members and their families.
We are excited to have our students participate in giving back and supporting these two great causes throughout the school year.
**Thank you for your generous hearts and continued support of our Chapel Offerings!** ❤️

***Offerings: $297.33***
