Message from the Principal -

As we wrap up another round of parent-teacher conferences, we are reminded of the incredible blessing and responsibility we share in nurturing the children God has entrusted to our care. Conferences provide so much more than an opportunity to discuss grades, academic progress, or areas for improvement. They allow us to strengthen relationships, celebrate growth, address challenges, and open lines of communication that extend well beyond a single meeting. Proverbs 27:17 reminds us, "As iron sharpens iron, so one person sharpens another." When parents and teachers come together with a shared purpose, we have the opportunity to encourage one another, challenge one another, and ultimately help our children grow into the individuals God has created them to be.

Our school theme this year, “Rooted in Christ,” reminds us that the strongest growth begins with a firm foundation. Colossians 2:6–7 encourages us to be “rooted and built up in him, strengthened in the faith.” Just as a tree needs strong roots to withstand storms and continue growing, our students need a strong foundation of faith, love, encouragement, and support. That foundation is strengthened when home and school work together. We may not always see eye to eye, and conversations may sometimes be challenging, but when we remain rooted in Christ, we approach one another with humility, patience, grace, and a shared commitment to what is best for each child. Ecclesiastes 4:9 reminds us, “Two are better than one, because they have a good return for their labor.” We are not meant to carry the responsibility of raising and educating children alone. God has blessed us with one another!

As we move forward from conferences, may we remember that our partnership with families is not limited to a few scheduled conversations each year. It is an ongoing ministry built on trust, communication, prayer, and a common purpose. Every encouraging email, difficult conversation, shared celebration, and moment of collaboration is another opportunity to strengthen the roots we are helping establish in our students. While academic success is important, our greatest calling is to point children toward Christ, whose love and promises will sustain them throughout their lives and into eternity. May we continue to grow together, support one another, and remain firmly rooted in Him!

in Jesus.

Mr. Mageski

Parentpulse-

Our next round of Parentpulse surveys are going out. Please keep an eye out for them and feel free to share your feedback. We appreciate you taking the time to complete them.

Volunteer Skill & Interest Sign-Up Form-

We’re excited to introduce a new way for families to get involved at St. John’s! The School Board is creating a “task force” volunteer system for the 2026–2027 school year, allowing families to contribute their unique skills, interests, and expertise on specific projects - without the commitment of full-time board service. Whether you can lend a hand occasionally or more regularly, all time served on these task forces will count toward volunteer hours (if applicable). Your support plays a vital role in strengthening our school, church, and childcare ministry, and we truly value any time you are able to give.

“From the Eagle’s Nest” - (Updates from the Principal/School Board)

As part of our commitment to transparency and collaboration, the principal and school board will be sharing weekly/monthly updates with families. These updates will highlight new and upcoming changes, dialogues currently taking place, considerations under review, and any concerns being addressed. Our goal is to bridge communication between school leadership and

our families so that we can work together with unity and understanding. By keeping you informed, we hope to build trust, invite healthy dialogue, and ensure that every step forward is guided by our shared mission to nurture students in Christ-centered excellence.

1. We are currently creating a new “pop-up” merchandise shop that we will roll out occasionally and at different events. Keep an eye out for some fun new items. There will be limited stock with these items, but we can always order more!
2. We are actively taking steps to quote new bleachers in our gym. Our goal is to purchase new bleachers by the end of the 2026-2027 school year and install them over the summer of 2027.
3. Right now our school board is going to be discussing possible services we can explore to collaborate with homeschool families and students. More information to come.
4. We will be providing a weekly/monthly Youtube channel that Mr. Mageski will provide updates and shout outs for things going on at SJLS and in our ministry.
 - a. Channel: <https://www.youtube.com/@PrincipalSJLS>
 - b. If you would like to join me for an interview, I would love to have you on our weekly video.
5. Mrs. Dunkin has notified SJLM that she has respectfully declined the call. We know God has plans for SJLS and we are confident that He will direct the correct person to lead SJLS. Prayers for patience and guidance as we move forward. A future congregation voter’s meeting will be held soon.

While we could go on about all the amazing things taking place, we pray these glimpses give an insight into the many major items under consideration or current projects. We are excited to continually make improvements to glorify God and provide the very best for our students, families, and staff.

Mr. Mageski & the SJLS School Board

Messages from the Office-

Friendly Reminders for SJLS Families!

To help keep our students safe and ensure we know who is entering and leaving our building, we would like to remind families of a few important school procedures.

Dropping Off Items During the School Day

- If you are dropping off items for your child during the school day, please stop in the school office first.
- Parents and guardians should not go directly to their child's classroom. Our office staff will make sure the items get to your child.

Student Early Dismissal & Sign-Out Procedures

- 4K–4th Grade: Students must be signed out by a parent or guardian in the school office before being dismissed.
- 5th–8th Grade: Students may sign themselves out in the school office as long as we have received parent/guardian consent by phone or email.

Early Dismissal for School Events & Athletics

- When students need to leave school early for a school-related event, such as athletics, Mrs. Krueger or Mrs. Marquardt will sign them out as long as parent/guardian consent has been received by phone or email.

♥ Thank you for your cooperation and understanding! These procedures are in place to help ensure the safety of our students, maintain accurate attendance records, and keep our school day running smoothly.

We appreciate your continued support in keeping SJLS a safe and welcoming place for everyone!

Missed Work due to Illness-

We are trying something new to make picking up missed schoolwork **more efficient and organized** for our families and teachers!

We now have a designated **Missed Work Cubby located in front of the school office**. This cubby will be used for **students who are absent due to illness** and whose parents have requested to pick up their missed assignments, books, and other resources.

If your child is home sick and you would like to pick up their missed work, please **contact the school office by 10:30 AM** to make your request. The office will notify your child's teacher(s), and their materials will be gathered and placed in the cubby for pickup **after 2:00 PM**.

If your child has a sibling who is in attendance, we can also send the missed work home with their sibling. **This must also be requested through the school office by 10:30 AM.**

Please keep in mind:

- You **must contact the school office by 10:30 AM** to request missed work. Materials will not automatically be gathered for every absence.
- Missed work will be available for pickup **after 2:00 PM**. This allows teachers adequate time during the school day to gather the assignments, books, and resources your child needs.
- This procedure is specifically for **illness-related absences** and does **not** apply to students missing school due to vacations or other planned absences.
- As a reminder, students are given **the same number of school days they were absent to complete their missed work**. For example, if a student is absent for two school days, they will have two school days to complete their missed assignments upon returning.

We hope this new system makes it easier for families to receive everything their child needs while also helping our teachers and office staff keep missed work organized.

Thank you for your cooperation and for helping us make this new process successful!

Skyward Mobile App

We now have the Skyward Mobile App ready and available for families to use!

To connect your Skyward account to the mobile app:

1. Go to your phone's App Store or Google Play Store.
2. Search for Skyward and download the app.
3. Open the app and select Add Account.
4. Select Postal Code and enter 53050.
5. Select St. Johns Lutheran School – Mayville, WI.
6. Enter your Skyward Username and Password.
7. Add an account description (such as your name or "St. John's").
8. Select Add Account and follow the remaining instructions to finish linking your Skyward account.

Once connected, you'll be able to access your Skyward account right from your phone!

If you have any questions or need help getting connected, please reach out to Mrs. Krueger. 😊

Health – Let's Stay Healthy!

A healthy body means a happy, ready-to-learn kid! 😊 Please remind your children of a few simple ways to stay healthy:

 Wash those hands – Keep those germs away!

 Drink plenty of water – Keep your body hydrated and happy!

 Eat healthy foods – Give your body the fuel it needs to grow, learn, and play!

Small healthy habits make a BIG difference! Let's keep our bodies strong, our hands clean, and our water bottles full! 💙

School Pictures - Retakes November 12th

A quick update regarding school picture orders:

- The **original ordering link will no longer work**.
- To place your order, you'll need your child's **individual code** from the postcard sent home by the picture company.
- **Missing your postcard or code?** You can request it here:
<https://codereturn.me/find/1710431618605x392906087214612500>

The Eagle Exchange-

We're excited to introduce a new way to share, reuse, and show our SJLS pride! The Eagle Exchange will be a mobile merchandise cart that will pop up throughout the year in our upper and lower lobbies, at sporting events, school activities, and other special events.

To help us get started, we need your gently used SJLS gear! If your family has St. John's shirts, sweatshirts, hats, or other SJLS apparel that has been outgrown or is simply no longer being used, we would love to give it a new home. We are looking for items that are clean and lightly used to like-new condition.

Donated items will be available through the Eagle Exchange at a discounted price, giving other Eagles a chance to show their school spirit while giving great SJLS gear a second life! All proceeds will go directly back into sustaining the Eagle Exchange and purchasing new merchandise to continue promoting SJLS pride.

 Donations can be dropped off at the school office.

Start checking those closets and drawers—we'd love your help stocking the shelves before the Eagle Exchange makes its debut!

Wear it. Share it. Support SJLS.

Student Council-

Operation Christmas Child is in full swing!

Please see the attached info packet attached via email and copies were sent home.

Our goal is 500 boxes that we want to fill at the packing party on November 17!

Next meeting: November 12th @ 7:15am

O.C.C. Packing Party: November 17th

Friendly Corner (SEL Social Emotional Learning)-

This week we wrapped up "Listen Up!" - all about helping others feel seen and heard by listening well! In the middle school, we finished up this month with a fun lego activity. Students had to use the listening skills we learned this week in order to complete the challenge and they did so well!

PARENT ACTION: Try this at home!

-At a table, place something between you and your child as a dividing screen. Give your child a set of 8-10 lego blocks. Give yourself the exact same set of legos.

-Your child gets to be the "builder" and should build whatever they want with the legos provided. All legos must be used and build one structure.

-You will be the "replicator". The "builder" must now tell you how to build the same model-using just their words. At first, only the "builder" can speak. Try to replicate the structure for 2 minutes.

-After 2 minutes, you may now ask questions and have back and forth dialogue with the "builder".

-Once you are done, ask questions and discuss: Why was it important for the "replicator" to listen carefully? Was it helpful once the "replicator" could ask questions? It is interesting that we can think we understood correctly but in fact be incorrect!

Chapel-

Chapels are typically every Wednesday morning at 8:10am.

You are more than welcome to join us! The first chapel of the month our Chapel Families sit together with their partners & we do a Noisy Can for our offering collection. Everyone brings change to put in the can, as it is passed, and then they give it a noisy shake.

♥ Our Chapel Offerings Are Making a Difference!

This year, our **Chapel Offerings** will support two wonderful organizations:

🌍 Christ's Care for Children: Kenya

Supporting children and families in Kenya while sharing the love of Christ.

Children in the **Christ's Care for Children: Kenya** program live at Project 24 facilities while attending school and church throughout the year. For \$1,080 per year, sponsors help provide

food, shelter, education, and opportunities for a child to learn important life skills such as farming, cooking, caring for animals, and maintaining their homes. The children also grow in their faith through daily devotions, Bible study, choir, and catechesis, becoming active and contributing members of their church and community.

★ Gold Star Trail

Supporting a meaningful local effort that honors and remembers our fallen heroes while bringing our community together. The **Gold Star Memorial Trail** is a hiking and biking trail connecting Mayville, Horicon, Beaver Dam, and the Wild Goose State Trail. It honors local service members who made the ultimate sacrifice, as well as all military service members and their families. We are excited to have our students participate in giving back and supporting these two great causes throughout the school year.

Thank you for your generous hearts and continued support of our Chapel Offerings! ❤️

Offerings: \$297.33

Academic Achievement Recipient: Levi S.

~Christmas/Advent Service Parts~

Our Christmas/Advent service will be Saturday, December 5th, with the dress rehearsal on the 4th.

5th Grade News

5th Grade Homeroom- We are busy writing poems for English. In math, we are multiplying decimals. In Social Studies, we are learning about American Independence.

The Unit 10 spelling test is next week, Friday
Reading Calendars are due November 2.

5th Grade Science- That's a wrap on the respiratory system! The kiddos did great on their models and on the test! We are now moving on to the circulatory system. We are going to start with "Hemo the Magnificent" and then will diagram the heart's anatomy and blood flow.

6th Grade News

6th Grade Homeroom - We are collecting items for Operation Christmas Child. 84 items have been brought in by our class so far. Hoping to get that number up there! Remember to peek at any papers in your child's Friday Folder, take out papers, sign papers and help your child to remember to return the FF on Monday. **Please note that 6th grade leads chapel Wednesday, November 18th at 8:10am and then again at 6:30 pm.** It is important for all students to be at both services. We will start working on our service next week.

*****Save the date - next year's Outdoor Ed. Camp will be September 27-29, 2027!

6th Grade ELA - There is a linking verb, helping verb, pick apart the sentence quiz on Monday. Students took notes in class on what to study. Students spend the first part of class each day working on vocabulary skills. In their Interactive Notebook, there is a vocabulary section with a Word of the Day. Their next vocab quiz is November 6th. October reading calendar with the prompt paragraph is due Nov. 2.

6th Grade Science - Students have quick check questions and answers to study as their study guide for the test on the nervous system. We talked about good answers having the question as part of the answer so they know what to study. Our test will be Monday. We will then start chemistry! We'll learn about 3 elements each day and fill out notecards on those elements to study for our big element test! That will not be until we get through all of the cards. Students will need to know the element symbols and names. We will learn about atomic basics next week, APE MAN, and the atomic theory.

6th Grade Math - We will be wrapping up integers at some point next week and will take an assessment over what we have learned. After that, we move onto topic 3 - numeric and algebraic expressions.

6th Grade Social Studies - 6th grade has learned about some of the Egyptian gods this week and what they are the gods of. They will be starting on some of the rulers of Egypt and the pyramids.

7th Grade News

7th Grade Homeroom - Thank you for donating items for Operation Christmas Child and thank you for attending conferences! We will have a new student, Jimmy, joining our 7th grade class on Monday, so that is very exciting! We have started practice for our upcoming Christmas program, which is crazy that we are already here. Have a great 3-day weekend!

7th Grade ELA - There is a linking verb, helping verb, pick apart the sentence quiz on Monday. Students took notes in class on what to study. One of our big focuses this year is to improve and increase our vocabulary. Students spend the first part of class each day working on vocabulary skills. In their Interactive Notebook, there is a vocabulary section with a Word of the Day. Their

next vocab quiz is November 6th. October reading calendar with the prompt paragraph is due Nov. 2.

7th Grade Science - We will continue our work on Punnett squares - monohybrid crosses, dihybrid crosses, codominance, and incomplete dominance.

7th Grade Math - This next week we are finishing up chapter 2 and getting ready for our chapter 2 test coming up the first week of November. After this chapter we are going to pivot a bit and start a chapter on geometric concepts.

7th Grade Social Studies - 7th grade has been learning about Art, Architecture, Music, and Literature during the Middle Ages. They got the chance to listen to some gregorian chant and watch how a book would have been made in the middle ages. Test on this chapter of Europe next Monday.

8th Grade News

8th Grade Homeroom - We have begun collecting for Operation Christmas Child! You are welcome to drop off any collection items in my room by the end of the bookshelf in the hallway. Additionally, If you can keep reminding your student to continue to be a good leader for the school (especially in chapel) that would be wonderful! Hope your student had a good short week! Here is our weekly selfie:

8th Grade ELA - There is a linking verb, helping verb, pick apart the sentence quiz on Monday. Students took notes in class on what to study. One of our big focuses this year is to improve and increase our vocabulary. Students spend the first part of class each day working on vocabulary skills. In their Interactive Notebook, there is a vocabulary section with a Word of the Day. Their next vocab quiz is November 6th. The reading calendar with the prompt paragraph is due Nov. 2. We will finish *The Outsiders* on Monday and take the test after that. We are planning on watching the movie on Tuesday. If you have any questions or concerns about the movie, please reach out to me.

8th Grade Science - We are now learning about stars, galaxies, and the universe. This next week we are focusing on constellations!

8th Grade Math-This next week we are getting to the halfway point of chapter 2 and talking about multi step equations in which we are solving for one variable. They have been doing a great job with these intro to Algebra concepts!

8th Grade Social Studies- 8th grade has continued learning about the Civil War. They have been learning about the early battles of the Civil War such as the Battle of Bull Run, the Siege of Vicksburg, as well as different Naval Battles. They have also started a research project on different battles of the Civil War.

Band - This is a reminder for families to encourage students to continue practicing, especially with the more difficult music. Spend 2 minutes warming up with long notes, spend five minutes on the book, and spend 5-10 minutes on the songs we passed out in class. are working on.

Mayville Jr/Sr High School Winter Athletics-

Attention 6th-8th Grade families of St. John's:

Below is a signup form for this year's Jr. High Community Winter Athletics run through Mayville Jr/Sr High School. Basketball starts next week (more on that in a second) and volleyball and wrestling start in February. Sixth graders can only sign up for wrestling.

As for boy's basketball, I actually thought we shared this with St. John's when we sent it out a few weeks ago, but we didn't and it's not too late. There may be some conflicts with St. John's basketball season, which obviously takes priority, but there are still ample opportunities for the boys to get in some extra playing time and build camaraderie with their peers from the public school. The Boys MS Basketball season starts Monday, October 19th and runs until December 10th, so it's a fairly short season. All practices run after school from 3:30-5:00PM at the Mayville Elementary School.

Please complete the following form as soon as you can if you are interested in joining any of our winter sports, and please feel free to reach out to me if you have any questions.

Mayville Youth Wrestling Registration Open

Program is open to all kids grades **5K through 8th**.

Ready to Register: Click here for the [Online Registration Form](#)

Registration closes on Friday, December 4th .

Mayville Youth Wrestling Club Information Session

Parents, join us to learn more about the program and opportunities for your children!

When: Tuesday, November 10th, 6pm

Where: Mayville Elementary School Cafeteria

Practices will be divided into two groups K-2 and 3-8 grades. Practice schedule will be dependent on the age group. The older group will have Monday practices in December then extended to Mondays and Tuesdays in January/February. The younger group will practice on Mondays in January/February.

Please note: Club wrestling is our community based program which is separate from the Mayville Middle School Team (6th-8th grade). We encourage older wrestlers to do both if they want to get the most out of their wrestling season. The school season first begins in February.

If you have any questions or are unable to attend the session, please reach out!
