Message from the Principal -

"Serve one another humbly in love." – Galatians 5:13

There is an old saying that "it takes a village to raise a child." Within our Christian community, this truth extends far beyond raising children. It takes a village to build a thriving school, a strong church, loving homes, and a community rooted in Christ. God has blessed each of us with unique gifts, talents, and opportunities to serve, not simply for our own benefit, but for the good of others. Whether volunteering at a school event, serving within the church, supporting a family in need, offering words of encouragement, or simply lifting someone up in prayer, every act of service matters. No ministry thrives through the efforts of just one person or a handful of

individuals. It takes a community of believers willing to invest their time, share their gifts, and support one another. As we are reminded in 1 Corinthians 12:27, “Now you are the body of Christ, and each one of you is a part of it.” We are not called to do everything, but we are each called to do something.

Many of us can look back on our childhoods and remember parents, grandparents, teachers, and church members who modeled what it meant to serve. They volunteered at school functions, helped organize church activities, prepared meals, coached teams, maintained facilities, and stepped forward when someone needed a helping hand. Often, they did these things quietly, without recognition or reward, simply because they believed it was important to give back to the community God had placed them in. Those examples helped shape our understanding of responsibility, generosity, faith, and Christian love. Now, we have the opportunity—and responsibility—to establish that same example for the next generation. Our children are watching. They notice when we willingly give our time, when we speak positively about our church and school, when we encourage others rather than criticize, and when we place the needs of our community alongside our own. If we want our children to grow into adults who serve with joyful hearts, support their churches, and invest in their communities, we must first demonstrate those values through our own actions.

As we continue building and strengthening our ministry at St. John's, may we remember that a strong Christian community is not measured simply by the programs we offer, the events we host, or the facilities we maintain, but by the hearts of those who make them possible. We recognize that life is busy, schedules are demanding, and our families have many responsibilities. Yet even small acts of service can make an extraordinary difference when we work together. Let us be intentional about encouraging one another, praying for one another, showing grace when challenges arise, and stepping forward when opportunities to serve present themselves. Above all, let us remember that our service is not about earning God's favor, but rather a joyful response to the incredible love and grace we have already received through Jesus Christ. The village we build today becomes the example our children carry into tomorrow. May the legacy we leave be one of faith, humility, generosity, and a willingness to serve—not because we have to, but because Christ's love moves us to do so.

in Jesus.

Mr. Mageski

Parentpulse-

Our next round of Parentpulse surveys are going out. Please keep an eye out for them and feel free to share your feedback. We appreciate you taking the time to complete them.

Volunteer Skill & Interest Sign-Up Form-

We're excited to introduce a new way for families to get involved at St. John's! The School Board is creating a “task force” volunteer system for the 2026–2027 school year, allowing families to contribute their unique skills, interests, and expertise on specific projects - without the commitment of full-time board service. Whether you can lend a hand occasionally or more regularly, all time served on these task forces will count toward volunteer hours (if applicable).

Your support plays a vital role in strengthening our school, church, and childcare ministry, and we truly value any time you are able to give.

“From the Eagle’s Nest” - (Updates from the Principal/School Board)

As part of our commitment to transparency and collaboration, the principal and school board will be sharing weekly/monthly updates with families. These updates will highlight new and upcoming changes, dialogues currently taking place, considerations under review, and any concerns being addressed. Our goal is to bridge communication between school leadership and our families so that we can work together with unity and understanding. By keeping you informed, we hope to build trust, invite healthy dialogue, and ensure that every step forward is guided by our shared mission to nurture students in Christ-centered excellence.

1. We are currently creating a new “pop-up” merchandise shop that we will roll out occasionally and at different events. Keep an eye out for some fun new items. There will be limited stock with these items, but we can always order more!
2. We are actively taking steps to quote new bleachers in our gym. Our goal is to purchase new bleachers by the end of the 2026-2027 school year and install them over the summer of 2027.
3. Right now our school board is going to be discussing possible services we can explore to collaborate with homeschool families and students. More information to come.
4. We will be providing a weekly/monthly Youtube channel that Mr. Mageski will provide updates and shout outs for things going on at SJLS and in our ministry.
 - a. Channel: <https://www.youtube.com/@PrincipalSJLS>
 - b. If you would like to join me for an interview, I would love to have you on our weekly video.
5. We have currently extended a call to Mrs. Suzanne Dunkin as possible principal of SJLS for the 2027-2028 school year. We ask that you pray for her, and our school, during this process and we will send out notifications if/when she chooses to visit and there may be an opportunity to meet her.

While we could go on about all the amazing things taking place, we pray these glimpses give an insight into the many major items under consideration or current projects. We are excited to continually make improvements to glorify God and provide the very best for our students, families, and staff.

Messages from the Office-

Missed Work due to Illness-

We are trying something new to make picking up missed schoolwork **more efficient and organized** for our families and teachers!

We now have a designated **Missed Work Cubby located in front of the school office**. This cubby will be used for **students who are absent due to illness** and whose parents have requested to pick up their missed assignments, books, and other resources.

If your child is home sick and you would like to pick up their missed work, please **contact the school office by 10:30 AM** to make your request. The office will notify your child's teacher(s), and their materials will be gathered and placed in the cubby for pickup **after 2:00 PM**.

If your child has a sibling who is in attendance, we can also send the missed work home with their sibling. **This must also be requested through the school office by 10:30 AM.**

Please keep in mind:

- You **must contact the school office by 10:30 AM** to request missed work. Materials will not automatically be gathered for every absence.
- Missed work will be available for pickup **after 2:00 PM**. This allows teachers adequate time during the school day to gather the assignments, books, and resources your child needs.
- This procedure is specifically for **illness-related absences** and does **not** apply to students missing school due to vacations or other planned absences.
- As a reminder, students are given **the same number of school days they were absent to complete their missed work**. For example, if a student is absent for two school days, they will have two school days to complete their missed assignments upon returning.

We hope this new system makes it easier for families to receive everything their child needs while also helping our teachers and office staff keep missed work organized.

Thank you for your cooperation and for helping us make this new process successful!

7. Add an account description (such as your name or "St. John's").
8. Select Add Account and follow the remaining instructions to finish linking your Skyward account.

Once connected, you'll be able to access your Skyward account right from your phone!

If you have any questions or need help getting connected, please reach out to Mrs. Krueger. 😊

Snacks

We have had quite a few students stopping in the office looking for snacks. Please remind your child to bring a healthy snack with them to school each day.

We try to keep some snacks on hand for those occasional times when a student forgets, but when it starts happening consistently, we need to help our students take responsibility for remembering to bring their own snack.

Thank you for helping us encourage healthy habits and responsibility! 😊

Health – Let's Stay Healthy!

A healthy body means a happy, ready-to-learn kid! 😊 Please remind your children of a few simple ways to stay healthy:

 Wash those hands – Keep those germs away!
 Drink plenty of water – Keep your body hydrated and happy!
 Eat healthy foods – Give your body the fuel it needs to grow, learn, and play!
Small healthy habits make a BIG difference! Let's keep our bodies strong, our hands clean, and our water bottles full! 

School Pictures

A quick update regarding school picture orders:

- The **original ordering link will no longer work**.
- To place your order, you'll need your child's **individual code** from the postcard sent home by the picture company.
- **Missing your postcard or code?** You can request it here:
<https://codereturn.me/find/1710431618605x392906087214612500>
- Pictures should be available in approximately **2 weeks**. Thank you for your patience! We know you can't wait to see those cute smiles! 

Parent-Teacher Conferences

The first quarter of school is almost complete! It's time to schedule a **Parent-Teacher Conference** to discuss your child's progress and answer any questions you may have.

Conference Dates:

- **Wednesday, October 28:** 12:30 p.m. – 7:00 p.m.
- **Thursday, October 29:** 12:30 p.m. – 6:00 p.m.

For 5th–8th Grade Families:

All 5th-8th grade homeroom teachers will be set up in the gym for conferences. Each family will sign up for a **60-minute time slot** during which you can meet with any (or all) of your child's teachers.

Because grades 5–8 are departmentalized, we believe it's important for parents to have the opportunity to meet with multiple teachers. Most individual meetings should take about **10 minutes per teacher**.

You are **not required** to meet with every teacher. We recommend meeting with your child's **homeroom teacher**, and then visiting any others based on your questions or areas of concern.

If you have **two or more middle school students**, please sign up for **only one time slot**.

5th-8th Grade Conference Sign Up: <https://signup.com/go/HQFaFKR>

Miss Gorte our Band Teacher will also be available in the gym during conference times if you would like to meet with her.

For families with students in Grade 7 Religion, if you have questions or concerns, you are welcome to contact Pastor Cutler directly at the church office: 920-387-3568.

A list of teachers and their corresponding grades/subjects is provided below for your reference.

Please note that 15 minute conferences will be held on **Wednesday, October 28th & Thursday, October 29th, beginning at 12:30 PM.** You will have the opportunity to meet with your child's classroom teacher in their classroom! We need to strictly stick to the 15 minute guideline so that all conferences can be accomplished for all students! Thank you in advance for arriving on time and sticking to the 15 minute schedule!

The teachers will have a dinner break from 4:00pm - 5:00pm on both conference days. They will not be meeting with parents during those times.

Parents, if you'd like to visit with Principal Mageski, feel free to stop down in the gym, if his table is empty then he is available.

The Eagle Exchange-

 **Coming Soon: The Eagle Exchange!** ❤️❤️

We're excited to introduce a new way to **share, reuse, and show our SJLS pride!** The **Eagle Exchange** will be a mobile merchandise cart that will pop up throughout the year in our upper and lower lobbies, at sporting events, school activities, and other special events.

To help us get started, **we need your gently used SJLS gear!** If your family has St. John's shirts, sweatshirts, hats, or other SJLS apparel that has been outgrown or is simply no longer being used, we would love to give it a new home. We are looking for items that are **clean and in lightly used to like-new condition.**

Donated items will be available through the Eagle Exchange at a discounted price, giving other Eagles a chance to show their school spirit while giving great SJLS gear a second life! **All proceeds will go directly back into sustaining the Eagle Exchange and purchasing new merchandise to continue promoting SJLS pride.**

 **Donations can be dropped off at the school office.**

Start checking those closets and drawers—we'd love your help stocking the shelves before the **Eagle Exchange** makes its debut!

Wear it. Share it. Support SJLS.

 **Eagles Soar Higher Together!**

Student Council-

Operation Christmas Child starts next week!

Please see the attached info packet attached via email and copies coming home.

Our goal is 500 boxes that we want to fill at the packing party on November 17!

Friendzy Corner (SEL Social Emotional Learning)-

We just finished our "We are one" Friendzy Catchphrase. We worked to understand the scripture 1 Corinthians 12:20 "As it is, there are many parts, yet one body." We discussed what it would be like if a person was made of all ears. It would hear well, but wouldn't be able to talk, walk, eat, etc. It wouldn't be very productive and it would be lacking a lot! All the parts of the body are needed, and each of us are a part of the body of Christ. Valuing ourselves and valuing others is a key aspect to understanding how "We are one"!

PARENT ACTION: Model to your child how to value others! When you see someone is good at something, say it outloud! "Wow, Susie really is great at including others!" "I really like how John draws. He is really creative."

Chapel-

Chapels are typically every Wednesday morning at 8:10am.

You are more than welcome to join us! The first chapel of the month our Chapel Families sit together with their partners & we do a Noisy Can for our offering collection. Everyone brings change to put in the can, as it is passed, and then they give it a noisy shake.

❤️ **Our Chapel Offerings Are Making a Difference!**

This year, our **Chapel Offerings** will support two wonderful organizations:

Christ's Care for Children: Kenya

Supporting children and families in Kenya while sharing the love of Christ. Children in the **Christ's Care for Children: Kenya** program live at Project 24 facilities while attending school and church throughout the year. For \$1,080 per year, sponsors help provide food, shelter, education, and opportunities for a child to learn important life skills such as farming, cooking, caring for animals, and maintaining their homes. The children also grow in their faith through daily devotions, Bible study, choir, and catechesis, becoming active and contributing members of their church and community.

Gold Star Trail

Supporting a meaningful local effort that honors and remembers our fallen heroes while bringing our community together. The **Gold Star Memorial Trail** is a hiking and biking trail connecting Mayville, Horicon, Beaver Dam, and the Wild Goose State Trail. It honors local service members who made the ultimate sacrifice, as well as all military service members and their families. We are excited to have our students participate in giving back and supporting these two great causes throughout the school year.

Thank you for your generous hearts and continued support of our Chapel Offerings! ❤️
